

# Professional Services

Greetings, this is the quote for Sebastián Quirós Vargas's professional services for the development of a web application to optimize the company's (EmpireEnterprise) image and processes. Please note the following information in regards of how the service is provided.

## Service breakdown

- Design of the system.
- Development of the website.
- Development of the platform to manage the website.
- Integration of communication channels (Whatsapp, SMS, Email).
- Weekly touchbase and feedback meetings during the development process. The day of the week is selected to the client's convenience.
- Hosting of the website.
- Deployment to production.

The previously specified points will be taken to completion in an **estimated time of two months** starting on April 1st 2024.

**Monthly payment for the service: \$2500.00.**

## Terms

- Support and maintenance are specified on a different quote.
- Monthly fee for communication channels is \$150. The fee is subject to change based on usage volume.
- The monthly payments are done at the start of every month before development.
- Start or continuation of the project is effective only on payment of the agreed amounts.

If you agree with the quote's terms and conditions, please provide the following information:
